Sir:

Applicant requests withdrawal of abandonment for the above-referenced application. Applicant has received a Notice of Abandonment under 37 CFR 1.53(f) or (g) dated June 15, 2004 (copy enclosed). It is Applicant's contention that this Notice of Abandonment was sent in error and should be withdrawn.

This application became abandoned for Applicant's failure to respond to the Office Action dated December 3, 2003. Applicant, however, never received a copy of the Office Action,

as it was mailed to a previous correspondence address at Akin, Gump, Strauss, Hauer, & Feld LLP in Washington, D.C.

As confirmed by Examiner Farah in a telephonic interview conducted on June 14, 2004 with Applicant's undersigned representative, the USPTO erred in sending the Office Action of December 3, 2003 to the above-mentioned address. The Examiner noted that the USPTO's file for this application shows that Applicant filed a Change of Correspondent Address on August 29, 2003, but that the USPTO did not direct future correspondence to the new address (see attached copy of Examiner-Initiated Interview Summary Record and the Examiner's continuation sheet attached thereto). Further, a copy of Morrison & Foerster LLP's mail log for December 2003 – January, 2004 is attached hereto to confirm that no copy of the Office Action of December 3, 2003 was ever received by Applicant's representative. Thus, not having received notice of the subject Office Action, Applicant was not able to respond, thereby causing this application to go abandoned.

Since the facts as stated show that the abandonment of this application was due to error on the part of the USPTO, it is believed that no fee is required pursuant to 37 CFR . However, should the Commissioner decide a fee is necessary, authorization is granted to charge the petition fee under 37 CFR 1.17(m) to **Deposit Account No. 03-1952** referencing docket no. **509582000210**.

For the reasons stated herein, Applicant respectfully requests that this Notice of Abandonment be withdrawn.

In the event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of

such petitions and/or other fees due in connection with the filing of this document to **Deposit**  
**Account No. 03-1952** referencing docket no. **509582000210**.

Respectfully submitted,

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner's intent was to verify/find out if the applicant has responded to the Office Action mailed on December 3, 2003. However, although the applicant has filed a request for Change of Address back in August 29, 2003, the applicant's representative and the examiner together verified that the above-mentioned OA was mailed to wrong address of a previous firm. Hence, since the time of response has lapsed, the applicant's representative has agreed to file a petition to revive the application upon receiving a notice of Abandonment.
